Ready to apply?

Only completed applications that are received on or before the application due date will be considered.

International Applicants

Any applicant who is neither a citizen nor a permanent resident of the United States must meet William James College’s regular admission requirements, as well as those listed below. Please see the International Applicants section on your program of interest webpage. Not every program supports student visas for travel and study in the United States.

All academic transcripts originating from an institution of higher learning outside of the United States must be translated into their US equivalency. William James College recommends that applicants use **World Education Services (www.wes.org)** to perform this service.

After acceptance of the admission offer, international students will be sent a Foreign Student Certification of Finances (FSCF) form which must be submitted by every student who does not hold a permanent resident (immigrant) visa in the United States. Because international students are ineligible to borrow Federal student aid, and private loans may be difficult to obtain, the FSCF is required by US Regulation to confirm that all of the necessary financial supports are secured for the duration of study. Only after this certification is sufficiently submitted will the Certificate of Eligibility for Nonimmigrant Student Status INS I-20 form be issued. International applicants must plan and secure funding sources for the length of their stay in the U.S. before applying. This includes living expenses, health insurance and travel.

International applicants must provide a copy of their visa before beginning the program.

Recommendations

Letter(s) of recommendation are required from people who can attest to your readiness for graduate study and your interpersonal skills, including: professional, intellectual, motivational, and emotional. Recommendations should not be provided by family members, friends or others who do not know you in either a professional or academic context.

A. Transcripts and test scores may be sent at any time prior to the final submission of your application. William James College recommends that you request these documents as soon as you decide to apply and allow at least ten to fifteen business days for the issuing authority to process your request.

Q. Where should academic transcripts and other paper documents be mailed?

A. All paper documents must be addressed to: William James College, Office of Admissions, One Wells Avenue, Newton MA 02459. It is not necessary to forward a paper copy of any document that has been or will be electronically submitted.

Q. How can I check the status of my application and verify that all documents have been received?

A. The easiest way to check the status of your application is through your online application account. Your account will indicate whether your official transcripts and letters of recommendation have arrived after your application has been submitted. Please allow approximately three business days for the Office of Admissions to record the receipt of an application document, such as an official transcript.

Q. When will I know whether I have been selected to interview? Is an interview mandatory?

A. If your program requires an interview, the Admissions Committee will notify you by email of their decision. The timing of this notification can vary, but generally a decision to interview will be announced 5 to 20 business days after the application deadline. If invited, you will be required to attend the interview.

Q. I am ready to apply for admission and I am also currently enrolled in the final year/semester of my undergraduate or graduate program. How will this affect the outcome of my application?

A. If you have not yet completed all of your current coursework and/or degree requirements at the time you apply to William James College, our offer to enroll will be made contingent upon the successful completion of all coursework for which you are currently or will be enrolled. All prerequisites which are required for matriculation at William James College must be completed and an official transcript indicating degree conferral must be furnished to the Office of Admissions prior to the start date of enrollment.

Q. The application due date is approaching and my letters of recommendation are incomplete. What should I do?

A. It is strongly recommended that the applicant seek alternative sources if a letter of recommendation cannot be completed by the due date.

Q. In what format should I prepare my application essay? Is there a minimum or maximum length?

A. Application essays should be prepared using a commercially available word processor with a traditional font, one-inch margins and double-line spacing. Check the website **www.williamjames.edu/apply** or online application instructions for essay length and content.

Q. I have published a scholarly article/research paper. Should I include this document with my application?
